Working harder for your people

Expert Medical Opinion A second opinion and peace of mind

The Chamber Primary Health Plan also gives employees and their families access to the free Expert Medical Opinion service. The Expert Medical Opinion service can be used to request an alternative assessment, from a world leading medical specialist, of a diagnosis they've received from their local medical specialist.

DoctorLine Access to a GP 24/7

From anywhere in the world, 24 hours a day, employees can pick up the phone and arrange a call back from a practising UK GP. They can even choose to have a webcam consultation. It's the closest thing to a surgery appointment, but without the wait. If the doctor believes that their treatment requires medication, they can offer a private prescription. Your staff can choose for the medicine to be sent directly to them at an address of their choice or a local pharmacy, or they could be sent a digitally secure electronic prescription to show at a nominated local pharmacy.

Westfield Rewards Making employees' salaries go further

A great way to help policyholders save money on everyday items, this online portal allows policyholders to access offers and savings on a huge range of goods and services from hundreds of leading high street and online retailers.

By connecting with the Westfield Rewards website, your employees can make use of discount codes or purchase reloadable cards. The savings they make are often on top of sale prices, money off vouchers and online promotions, so their money goes even further. It's retail therapy at its best.

Sainsbury's Argos B&Q YOUR M&S
